Any third party program provided along with the Software that is associated with a separate end-user licence agreement is licensed to you under the terms of that licence agreement. To the extent that the Software consists of reconfigurations of third party programs (such reconfigurations having been carried out with the consent of such third parties) all copyright and all intellectual property rights in the third party programs prior to reconfiguration are and shall remain the property of those third parties.
- 5.2 Where the Software provides a facility for the Licensee to make their own files accessible from within the Software, the Licensor shall not be liable for the use or content of such files, which remain the property of the Licensee.
- 5.3 The Licensee shall notify the Licensor immediately if the Licensee becomes aware of any unauthorised use of the whole or any part of the Software/Program Documentation by any person.

- 6.3 The remedy set out in clause 6.2 is subject to the return of the Software and Program Documentation with the Licensee's payment receipt to the Licensor not later than five (5) days after the end of such warranty period aforesaid.

The Licensee further acknowledges that it is the responsibility of the Licensee to ensure that the systems upon which it uses the Software are in good working order and are compatible with the Software. The Licensor shall not be liable for any failure of the Software to provide any facility or function not specified in the Program Documentation. Save as provided herein, the entire risk as to the performance and results of the Software is assumed by the Licensee.
- 6.5 Notwithstanding anything else contained in this Agreement the Licensor shall not be liable to the Licensee (except in the case of death or personal injury arising from the negligence of the Licensor) for loss of or corruption to data, loss of profits or contracts, business interruptions, or other indirect, consequential or special loss whether arising from negligence, tort, breach of contract or otherwise.
- 6.6 The Licensor's liability to the Licensee for actual damages for any cause whatsoever shall in any event be limited to the Purchase Price paid by the Licensee to the Licensor. In no event shall the Licensee raise any claim under the Agreement more than one (1) year after the discovery of the circumstances giving rise to such claim or the date of termination of this Agreement.
- 6.7 Except as expressly provided in this Agreement no warranty, condition, representation, undertaking or term, express or implied, statutory or otherwise, as to the condition, quality, performance, merchantability or fitness for purpose of the Software/Program Documentation is given or assumed by the Licensor and all such warranties, conditions, representations, undertakings and terms are hereby excluded.
