1	Tectonics		<i>page</i> 4	
	Is your world moving you?	4	What are the effects of a volcanic eruption?	14
	Where do earthquakes and volcanoes occur?	6	What can virtual volcanoes tell us?	16
	What happens in an earthquake?	8	How much can prediction and prevention help?	18
	Do all earthquakes have the same impact?	10	How can aid reduce the damage?	20
	Volcanoes – hazards, or holiday destinations?	12	Tectonics: Where are we now?	22
2	80:20		<i>page</i> 24	
	What is development?	24	80:20 – What can be done?	34
	Where in the world?	26	80:20 – What can I do?	36
	How do we measure development?	28	Fair trade?	38
	How do you use ICT for a development enquiry?	30	What is sustainable development?	40
	What are the causes of poverty?	32	80:20: Where are we now?	42
3	Comparing Countries		<i>page</i> 44	
	A continent divided?	44	How are Mexico and the USA connected?	56
	What do we need to know about these places?	46	How are these countries linked to the UK?	58
	Are Mexico and the USA physically different?	48	Mystery – Why is John Doe staying in Tucson, Arizona?	60
	Are the populations alike?	50	Comparing Countries: Where are we now?	62
	What do they do?	52		
	Are there differences within each country?	54		
4	Ecosystems		<i>page</i> 64	
	What is an ecosystem?	64	Why is tropical rainfall seasonal?	74
	What are coral ecosystems like?	66	Savanna grasslands – natural, or not?	76
	What are the links in an ecosystem?	68	Can the savanna ecosystem be conserved?	78
	Why do rainforests grow so densely?	70	Animals, people, or sustainable ecosystems?	80
	What causes Africa's grasslands?	72	Ecosystems: Where are we now?	82
5	Think – Act		<i>page</i> 84	
	Think about your global footprints ...		Are food miles only about energy?	94
	Act locally to reduce them	84	Rubbish – what's the problem?	96
	What is global warming?	86	Rubbish – what's the solution?	98
	What is causing global warming?	88	Where there's muck, is there brass?	100
	How can we cut carbon emissions?	90	Think – Act: Where are we now?	102
	How does our food affect the environment?	92		
6	Development or Destruction?		<i>page</i> 104	
	Rainforests – a celebration of life	104	Is the rainforest being destroyed?	116
	Where is Brazil and where do Brazilians live?	106	What are the consequences of deforestation?	118
	What is Brazil like?	108	Can the rainforest be developed sustainably?	120
	How has Amazonia been developed?	110	Development or Destruction?	
	What is life like for tribal people?	112	Where are we now?	122
	Why do people live in the rainforest?	114		
	Passport to the World		<i>page</i> 124	
	Glossary		<i>page</i> 126	
	Index		<i>page</i> 128
